PR	I graduated from Ho Chi Minh City University of Technology (HUTECH). In my 4 years of experience as a developer, I have spent 2 years as a BrSE and team leader. I am confident in my ability to choose the approach, both in terms of technical aspects and product functionality, to help my team achieve our goals. As a BrSE, I am working hard to improve my communication skills with customers, but I can communicate directly with JP development team and support VN team. From now on, I will continue to improve my experience and skills, aiming to become a manager focused on product quality within the next 5 years.
